Warranty

Spartus and Titan Recycled Rubber Tile

5 Year Limited Warranty

Roppe Corporation uses the highest quality recycled materials in the manufacturing of Tuflex Flooring products. Roppe warrants Tuflex to be free of manufacturing defects for a period of up to five (5) years from the date of original purchase. This limited warranty offers only sufficient materials to replace areas that have worn beyond 50% of the original surface pattern. Roppe's obligation under this warranty is limited to providing new materials for the affected areas only on a pro-rated basis as follows:

Term	Tuflex Titan	Tuflex Spartus
First Year	100% replacement	100% replacement
13-24 months	80% replacement	75% replacement
25-36 months	60% replacement	25% replacement
37-48 months	40% replacement	No replacement
49-60 months	20% replacement	No replacement

The remedy of replacement material shall be the only remedy. Roppe Corporation shall have no other obligation or liability in any matter or thing including, without limitation, damages for personal injury or any other direct or indirect damages. Roppe recommended installation instructions and maintenance instructions must be followed. Roppe recommended adhesive must be used in sufficient quantity. Warranty does not cover damage caused by excessive moisture under tiles, water migration through slabs or other sources, or any other failures not directly related to defects in manufactured materials. No merchandise may be returned prior to inspection and written approval from Roppe. Color consistency is stringently controlled but exact color uniformity is not guaranteed. Roppe is not responsible for long term discoloration caused by exposure to UV or artificial lighting sources. Any claims regarding physical defects or cosmetic appearance must be made prior to installation. Visual inspection of all tiles is recommended prior to adhesion so that tiles having the greatest cosmetic variation may be segregated for cut pieces or isolated to remote portions of the installation. Moving or turning tiles often provides a superior blending effect. Tuflex can be used in or around commercial kitchens if all spills, exposure to vegetable oils and animal fats etc are removed immediately by
